SUMMARY

Web developer and co-founder of Zentra, a digital studio that builds custom websites, apps and systems. I work from planning through development, focused on clear interfaces that work on any screen. I'm also a Web Development Intern at Fluvi Soluções Digitais and a Software Engineering student.

EXPERIENCE

Sep 2026 – present

Co-founder
Zentra · zentrasistemas.com.br

- Planning, design and development of web projects from start to finish.
- Built the NFC and QR Code digital menu, which puts a venue's menu straight on the customer's phone, with no app to install.

Aug 2026 – present

Web Development Intern
Fluvi Soluções Digitais · Remote

Jul 2026 – present

IT Support Intern
Ilhabela City Hall · On-site
